FINANCIAL POLICIES

Pacific Point Christian Schools (Pac Point) is an investment in your child's future. We strive to keep our rates down while committing to provide a quality Christian education. Additionally, we provide a built-in financial assistance program for families with more than one enrolled student.

Pacific Point Christian Schools offers three payment options for tuition. If you choose a monthly plan, tuition is due by the 1st of the month. Payments submitted after the 10th of the month and/or returned checks are subject to a \$25 late charge.

You will receive a Tuition Payment Schedule after choosing your payment plan. Pac Point does not send out monthly billing statements. On the 15th of the month all accounts with balances outstanding will receive a statement of their account. Accounts must be paid in full by the 1st of the following month in order for the student to remain in school.

Non Discriminatory Policy

Pacific Point Christian Schools admits students of any race, color and national origin to all rights, privileges, programs, and activities made available to students in the school district. The district does not discriminate on the basis of race, color, national or ethnic origin in the administration of its educational policies, financial assistance, or in any other school administered program.
